## WRIGHT-PATTERSON VETERINARY CLINIC

LOCATED IN Bldg. 1435, AREA A

Open Monday - Friday 8 A.M. To 4 p.m.

Closed on Holidays

Animal visitation by appointment only. Call 257-6853

### HEARTWORM & FLEA MEDICATIONS

Contrary to popular belief, heartworm and flea medications are needed throughout the year even during the winter months. Heartworms are caused from infected mosquitoes biting your animal. Here in Ohio it does not get cold enough to kill off all mosquitoes, therefore your animal is at risk of getting heartworms even in the winter months. Heartworm medication should be given throughout the animal's entire life, year round.

### JUST ARRIVING TO WRIGHT-PATT?

**All NEWCOMERS MUST REGISTER THEIR ANIMALS WITH THE VET CLINIC**

This includes residents in "The Prairies at Wright Field (formerly Page Manor) and "The Woods at Wright Field (formerly Woodland Hills).

All patrons of these areas as well as main base are required to register their animals with the base veterinary clinic and follow the guidelines in place for maintaining a privately owned animal at Wright-Patterson AFB.

### Safety Reminder

Don't forget cold weather safety when it comes to your pets. Don't leave your pet outside too long and never leave them in a running car to keep them warm. Also, the salt laid on sidewalks to melt ice is not good for the pads of their feet. Remember pets are a part of the family!
